I am updating the weekly update to reflect this before we review and send it out.

Hi Team,

We have decided that as a next step in our goal to have the SEC proactively say something, that we should get meetings with each of them.

One down (Clayton) and four to go!

I'd like your help and input on how to best achieve that goal. I expect I can get a warm intro to Commissioners Peirce and Roisman through our WH connection. (unless someone here has a better connection?)

With those in hand, I think we can then prioritize the other commissioners through Andrew C/

Best.  
Brad
